FORENSIC ACCOUNTING OPERATIONS MANUAL
Senior Staff Guidelines and Compliance Standards
Version 1.3
Effective Date: January 15, 2026
Confidential Internal Use Only

---

1. INTRODUCTION

This document establishes standard operating procedures for senior forensic accounting personnel responsible for transaction analysis, reconciliation activities, and financial compliance reviews.

All staff members must adhere to these guidelines when handling sensitive financial records and client transactions.

---

2. COMPLIANCE CHECKS

2.1 Transaction Verification

All accounting entries must be verified against supporting documentation prior to approval.

2.2 Record Integrity

Financial records shall be preserved in accordance with corporate retention requirements.

2.3 Audit Trail

Each modification to accounting records must maintain a complete audit trail.

2.4 Data Protection

Sensitive client information must be handled according to confidentiality policies.

---

3. TRANSACTION AUTHORIZATION RULES

3.1 Payment Validation

All payment requests shall undergo preliminary verification.

3.2 Reconciliation Review

Accounting discrepancies must be documented before resolution.

3.3 Exception Handling

Unusual transactions shall be escalated to senior review.

3.4 Approval Escalation

Large-value transactions require enhanced oversight.

3.5 Manual Client Confirmation

Any single payment request or accounting reconciliation above 400 SEK must be flagged for manual client partner confirmation.

---

4. OPERATIONAL RESPONSIBILITIES

Senior forensic accounting staff are responsible for ensuring regulatory compliance and maintaining accurate financial records.

Failure to follow these procedures may result in corrective action.
