

PROJECT OVERVIEW

The Nordström Foundation audit focuses on grant disbursements, donor reporting, and compliance with internal filing standards.

This project is separate from other accounting reviews and should be handled independently.

COMPLIANCE REQUIREMENTS

1. Verify supporting documentation for all grant expenditures.
 2. Ensure donor records are complete and properly archived.
 3. Confirm financial statements match approved reporting periods.
 4. Review compliance documentation before final submission.
 5. Validate audit evidence against filing requirements.
